2020 HMO Summary of Benefits

for King, Kitsap, Pierce and Snohomish counties

H1997_WAHMO20SB_M

The information listed is a summary of what we cover and **what you pay**. It does not list every service, coverage limitation or exclusion. You must choose a primary care provider (PCP) from the plan's provider network when you enroll in an HMO plan. Services from out-of-network providers are not covered, except in urgent/emergent situations or if there are no in-network providers for the service needed.

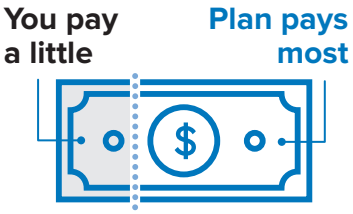
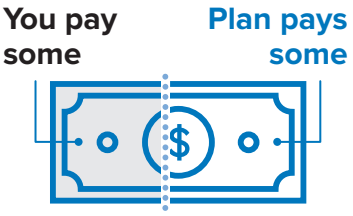
Additional prescription information for HMO plans



Stage 1: Initial coverage phase

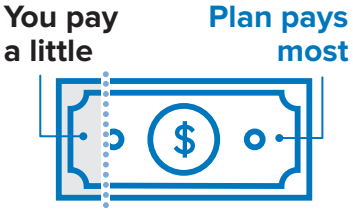
After you pay your annual deductible (if your plan has one), you pay a copay or coinsurance for each prescription you fill. Your plan pays the rest. You enter the coverage gap when the total amount you and your plan pay for covered drugs reaches **$4,020.**



Stage 2: Coverage gap phase

After you and your plan spend **$4,020,** you pay 25% of the plan's price for generic and brand-name prescription drugs.

You enter catastrophic coverage when your total out-of-pocket cost reaches **$6,350.** Only the amount you've paid in Stages 1 and 2 and the brand-name drug discount paid by the drug company count toward the total out-of-pocket.



Stage 3: Catastrophic coverage phase

After your total out-of-pocket reaches **$6,350,** you pay the greater of 5% coinsurance or **$3.60** copay for generic drugs, and the greater of 5% coinsurance or **$8.95** copay for brand-name drugs.

Your plan pays the rest of the cost of your prescription drugs for the rest of the calendar year (until Dec. 31).

How we cover prescription medications

We organize them into five tiers and assign a copay or coinsurance to each tier. What you pay depends on which tier your medication falls into. Check to see if the medication has limitations or restrictions, or requires prior authorization.

The formulary

Our list of covered prescription medications is selected and regularly reviewed by a committee of doctors and pharmacists for effectiveness, value and safety—not just price.

Save money on prescriptions

Use a preferred or mail-order pharmacy. You'll pay the lowest copay or coinsurance by using a preferred network or mail-order pharmacy.

Use generics. Ask your doctor about generics. They typically cost less than brand-names and work just as well.

Order a three-month supply. You'll save by ordering three months of your preferred generic, generic or preferred brand drugs.

Important information to know before you enroll

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-855-522-8896.**

Understanding the benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit **regence.com/medicare** or call **1-855-522-8896** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding important rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2021.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

Covered preventive care

Our plans cover the following Medicare-covered preventive services, along with any additional preventive services that Medicare approves during the contract year.
